**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a long time customer of Sonic, first with DSL, and then with Fiber I rely on smaller company like Sonic to provide us with first class service without the gouging of larger companies like AT&T or Comcast. Smaller internet providers like Sonic are crucial to the competitive climate and prevent monopoly of service by the Big Guys.

We also rely on Sonic to keep their prices fair and stable. Sonic internet connection is crucial to us seniors who need the connection to the world. Also our telephone connection is very reliable and a necessary tool for current modern communications.

Thank you for protecting the little guy and being open to the needs of your citizens.

Sincerely,
